III. Supporting Paragraph from School Principal

A paragraph of support is required from your school principal on school letterhead. The letter should demonstrate support for your plans to bring students on a field study in the fall. Please submit the paragraph of support by mail, before the deadline. Applications that do not include the support letter will be considered incomplete.

IV. Personal Statement

Bridging the Watershed is a partnership and exists primarily to create future stewards of their watershed. Include a one-page summary of your reason(s) for applying to this institute and an indication that you would be willing to work with BTW to provide students with field studies in national parks.

Mail application and supporting documents to:

Bridging the Watershed
Attn: Rhonda Scott
2001 Bryan Point Road
Accokeek MD 20607

You will receive confirmation of receipt of your application once all the materials are submitted, including support letters. Applicants will be notified via email of their selection to the institute in mid-May.
