\$500

**This is the term for a leaf
having deeply indented
margins.**

\$100

What is lobed?

Board

These types of leaves have the lobes spreading radially from a point - resembling fingers on a hand.

\$200

What is palmately lobed?

Board

\$300

This leaf margin:

\$300

What is dissected?

Board

\$400

This leaf margin has several small indentations resembling teeth.

\$400

What is toothed or dentate?

Board

These types of leaves have the lobes arranged on either side of the stem – resembling a feather.

\$500

What pinnately lobed?

Board

\$100

This leaf arrangement:

\$100

What is alternate?

Board

**In this leaf
arrangement leaves
are paired along the
stem.**

\$200

What is opposite?

Board

**In this leaf arrangement
three or more leaves
radiate from a single point
on the stem.**

\$300

What is whorled?

Board

\$400

**This term applies to plants
in which all the leaves
originate from the base of
the plant.**

\$400

What is basal?

Board

\$500

**This leaf
arrangement:**

\$500

What is rosette?

Board

**These leaves are narrow,
are at least 4x longer than
wide, and have the same
width throughout.**

\$100

What is linear?

Board

\$200

This leaf shape:

\$200

**What is arrow-shaped
(hastate)?**

Board

These leaves are generally egg-shaped, with the broader portion towards the base. Often pointed at the tip.

\$300

What is oval or ovate?

Board

\$400

This leaf shape:

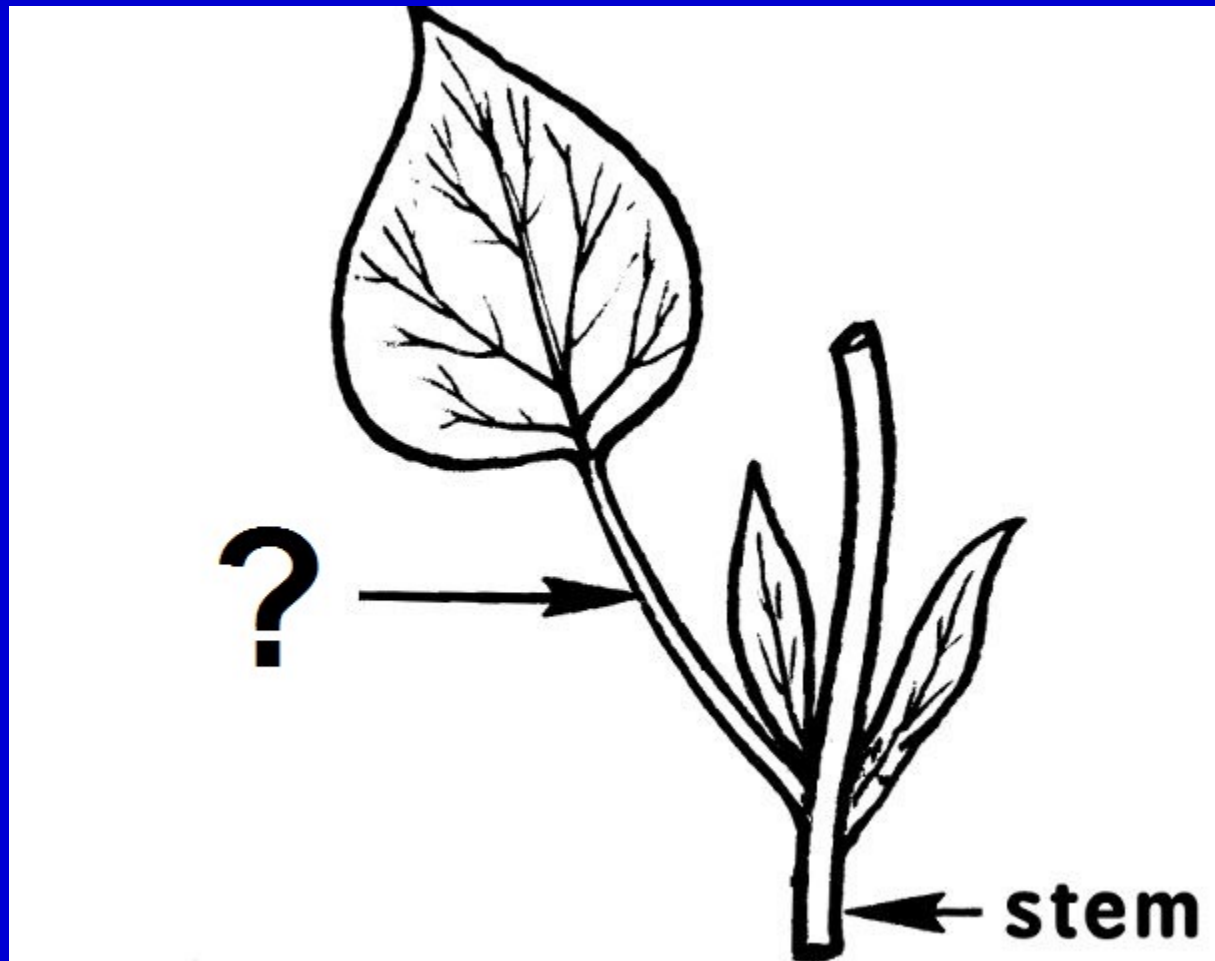

\$400

What is heart shaped?

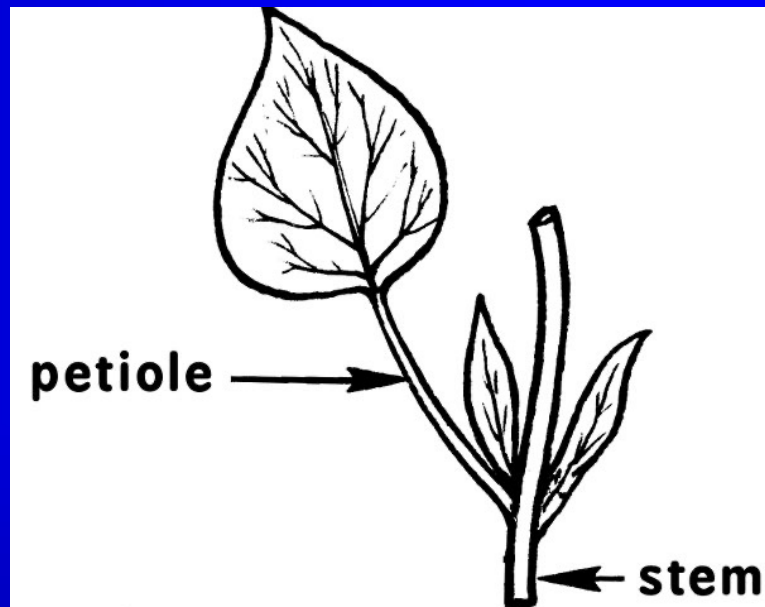

Board

\$500

\$500

What is petiole or leaf stalk?

Board

**A compound leaf consists
of several or many distinct
_____ joined to a single
stem.**

\$100

What are leaflets?

Board

\$200

This leaf shape:

\$200

What is pinnate?

Board

\$300

**This leaf shape resembles a
hand with the fingers
extended.**

\$300

What is palmate?

Board

\$400

**This leaf shape is
characterized by
a leaf divided into three
leaflets.**

\$400

What is trifoliate?

Board

\$500

This leaf shape:

\$500

What is bi-pinnate?

Board

The introduction of this vine dates back to the early 1700's when European colonists imported the plant as an easy-to-grow evergreen groundcover.

\$100

**What is English Ivy or
Hedera helix?**

Board

\$200

**This berry producing plant
was introduced into the
United States in 1890 as
breeding stock for
new *Rubus* cultivars.**

\$200

What is Wineberry or *Rubus phoenicolasius* ?

\$300

This tree was introduced to the U.S. in 1745.

\$300

**What is Silk Tree / Mimosa
or *Albizia julibrissin* ?**

Board

\$400

It was first recorded in the U.S. about 1868. It was likely introduced to the U.S. for food or medicinal purposes.

\$400

**What is Garlic Mustard or
Alliaria petiolata?**

Board

**Daily
Double**

\$500

Introduced into the U.S. in 1876 at the Philadelphia Centennial Exposition, this plant was promoted as a forage crop. Beginning in 1935, farmers in the south were encouraged to plant it to reduce soil erosion.

\$500

**What Kudzu or *Pueraria*
montana?**

Board

\$100

 , a staple of almost
any camping trip, should be
purchased locally.

\$100

What is firewood?

Board

\$200

**Contact _____ to find out
which plants are invasive in
your area.**

\$200

**What is your local native
plant society or Department
of Natural Resources?**

\$300

**Do this on your property to
prevent the spread of
invasive plants.**

\$300

What is remove?

Board

\$400

**Only use _____ plants when
landscaping your property.**

\$400

What are native plants?

Board

\$500

**Clean this before you hike
in a new area to get rid of
hitchhiking seeds and
pathogens.**

\$500

What is pants or boots?

Board

Final Jeopardy!

Final JEOPARDY!

Invasive Species

**This semi-aquatic rodent
was introduced to the U.S.
in 1889 primarily by fur
ranchers.**

What is Nutria?

The image features the word "JEOPARDY!" in a bold, white, sans-serif font, centered horizontally. The text is set against a background of a grid of blue squares, each with a slight 3D effect and a dark blue shadow. The grid is composed of 6 columns and 6 rows of squares, totaling 36 squares. The word "JEOPARDY!" is positioned across the middle of the grid, spanning from the second column to the sixth column.
