

Environmental Education on the Potomac

Welcome Camper Parent/Guardian!

We are thrilled that your child will be joining us for our 2023 Summer Day Camp! As a parent/guardian of a child in camp this Summer, you now have access to our exclusive Camp Portal (username and password below). After creating an account and logging in, you'll be able to access everything you need to know about camp, see which forms need to be filled out, and even turn them in. Please do not mail or email these forms back to us; instead use the portal to upload these documents. We kindly ask that you complete and upload all forms by Friday, June 1st, 2023.

Inside the Camp Portal, you should find the following:

- This welcome letter
- A camp checklist (this will help you prepare your camper for the best day camp experience)
- General camp schedules for each of the weeks of camp. More detailed camp schedules will be emailed to the email address used for portal registration about a week prior to camp beginning.
- Forms! (these we will need filled out, signed, and returned to us as soon as possible (especially if your child will require assistance with taking medication) - no later than a week before camp begins)
 - Camper Health History
 - Medication Forms (only need to fill out if your camper has a medication they will need to take during camp - we encourage, if possible, for any medications to be taken outside of camp hours)
 - Medication Administration Authorization Form
 - Medication Administration Authorization Form Asthma
 - Immunization Certificate Form
 - Participation/Photo/Video/COVID Waiver
 - Sunscreen and Electronic Device Waiver of Liability
 - Rules of Play and Code of Conduct

We look forward to having your child in camp with us. If you have any questions, please do not hesitate to contact us. You can reach our camp director at 301-292-5665 ext 7312 or bmays@fergusonfoundation.org.

Sincerely,

Camp Staff
