**You might notice that a cell phone is not listed. While it is not encouraged for cell phones to be brought to camp (it can be a distraction and we will not replace it if it is damaged or lost), it is not prohibited. Your camper may bring one to camp, however, if the use of it becomes an issue, we may ask for the phone to either be put away (in the child's basket/cubby described below) or stay at home.

NOTE: We will have baskets/cubbies for each camper to place personal items in during camp time. Campers can keep items there the entire week so if needed, they are readily available (items such as rain boots, rain coats, extra set of clothes, etc), and don't have to be brought home and back every day.
